

## **Hillside Christmas Tree**

Each year preceding the holidays, our church raises a tree in Fellowship Hall, to provide gifts to the children and young adults served by the Hillside Center. The agency provides us with the 75-90 names and the suggested gift for each. Jill O'Connor and helpers create the original ornaments to which we attach a tag with the suggested gift. Our congregants select 1 or more ornament/tags, obtain the gifts, keep the ornament, and return the gifts to the church. We deliver the gifts to the Hillside Center approximately 1 week before Christmas, where volunteers wrap them and provide them for distribution to the selected recipients.
